SSID note to regions\_v5\_OCFO.docx

All,

We have received the attached information related to charging time, travel, and other expenses in relation to support for the Gold King Mine Response. As more information is available, we will share with ORD.

Thank you!

Jamie

Regional Comptrollers & Other Program Offices

Attached please find the instruction/guidance on how to ensure proper charging and tracking of payroll, contracts, and travel resources associated with the response to the Gold King Mine Release. While this may only currently affect some of you, I felt it would be prudent to share with all of you as some of your regional staff may be traveling to assist.

Please share with others as appropriate.

Thank you.
